Simplify Your Life

You've got a lot going on. Through the USAID Staff Care WorkLife Program you can connect with resources and people to help you better manage work and life responsibilities.

1) Expert Guidance and Personalized Referrals

Specialists will save you time by helping you find anything you need—child care, adult care, fitness centers, schools and financial aid options, home improvement professionals, movers, pet care, and other helpful resources.

2) Online Tools and Discounts

Log on to access comprehensive articles, webinars, discussion groups, podcasts, and loads of other helpful tools. Plus, browse the online discount center for huge savings on millions of brand-name products and services.

3) Professional Care Management

Get a free in-person elder care assessment and detailed care recommendations from a Professional Care Manager. In-person assessments are available in every U.S. state and territory.

4) Breastfeeding Support

Get 24/7 guidance from lactation consultants, discounted breast pumps, and a Working Mothers Lactation Kit loaded with things to help you breastfeed your baby.

5) Backup Care for Children and Older Adults

Get domestic placement with fully credentialed in-home and center-based providers. Plan ahead or call for last-minute emergencies. Low co-pay—only \$10 for a full day of care, **now with up to 15 visits per family member per year.**
